technique for bigger things to come, as its principal method of creating masses of people all over the world who will become its “welfare” recipients of the future.
To introduce new cults and continue to boost those already functioning which includes rock “music” gangsters such as the filthy, degenerate Mick Jagger’s “Rolling Stones” (a gangster group much favored by European Black Nobility) and all of the Tavistock-created “rock” groups which began with “The Beatles.”
To continue to build up the cult of Christian fundamentalism begun by the British East India Company’s servant, Darby, which will be misused to strengthen the Zionist state of Israel through identifying with the Jews through the myth of “God’s Chosen People” and by donating very substantial amounts of money to what they mistakenly believe is a religious cause in the furtherance of Christianity.
Brzezinski was not writing as a private citizen but as Carter’s National Security Advisor and a leading member of the Club of Rome and a member of the Committee of 300, a member of the CFR and as a member of the old Polish Black Nobility. His book explains how America must leave its industrial base behind and enter into what he called “a distinct new historical era.”
In this regard a French Black Nobility member, Etienne D’Avignon, as a member of the Committee of 300, was assigned the task of collapsing the steel industry in the US. It is doubtful that any of the hundreds of thousands of steel workers and shipyard workers who have been without jobs for the past decade have ever heard of D’Avignon.
A second assassination bureau is located in Switzerland and was until recently run by a shadowy figure of whom no photographs existed after 1941. The operations were and probably still are financed by the Oltramaire family – Swiss Black Nobility, owners of the Lombard Odier Bank of Geneva, a Committee of 300 operation.
The primary contact man was Jacques Soustelle – this according to US Army-G2 intelligence files. This group was also closely allied with Allen Dulles and Jean de Menil, an important member of the Committee of 300 and a very prominent name in the oil industry in Texas.
Army-G2 records show that the group was heavily involved in the arms trade in the Middle East, but more than that, the assassination bureau made no less than 30 attempts to kill General de Gaulle, in which Jacques Soustelle was directly involved.
The same Soustelle was the contact man for the Sendero Luminoso-Shining Pathway guerilla group protecting the Committee’s Peruvian cocaine producers.
Richard Gardner was sent to Rome on a special assignment. Gardner married into one of the oldest Black Nobility families of Venice, thus providing the Venetian aristocracy a direct line to the White House. The late Averill Harriman was another of the committee’s direct links with the Kremlin and the White House, a position inherited by Kissinger after Harriman’s death.
In 1986 in “The Order of St. John of Jerusalem” Dr. Coleman wrote:
“It is therefore not a secret society, except where its purposes have been perverted in the inner councils like the Order of the Garter, which is a prostituted oligarchical creation of the British royal family, which makes a mockery of what the Sovereign Order of St. John of Jerusalem stands for.
As an example, we find the atheist Lord Peter Carrington, who pretends to be an Anglican Christian but who is a member of the Order of Osiris and other demonic sects, including Freemasonry, installed as a Knight of the Garter at St. George’s Chapel, Windsor Castle, by Her Majesty, Queen Elizabeth II of England, of the Black Nobility Guelphs, also head of the Anglican Church, which she thoroughly despises.”
$15.8 billion is one realistic estimate of the Queen’s worth – tax exempt – BOE.
